to Hannah Arnett, their friend.

Waynesville June 14th 1878

Dear Friend

Hannah Arnett

We received thy card but my husband being sick could not answer then is not well enough to sit up yet He had a heavy chill followed by a high fever. In regard to thy house it is rented to a man Seth Hains recommended so the pay will be all safe we think one hundred ($100) dollars a year payable at the end of every month moved in to the house the fourth of this month they thought four dollars was more than they where willing to pay for these curtains so they are not sold. Asher wishes to know if thee wishes the rent sent thee every month or every three month just as easy to have it monthly only it will cost more. The renters name is John Miller he has two children a baby in the arms one two or three older

There was several applications to rent the house some of them did not suite, Asher he held of till the last, two or three day in the second month to see if there could be a sale of it, knowing thee desired to sell rather than rent I hope it will prove satisfactory

Dear Friend Hannah thy Religious concern
thee wrote about was sent to the
Quarterly meting and it was considered
in order to be given to the monthly meting
first and plenty of time at the next
Quarter before those Yearley metings. It
was very fully united with in the monthly
meeting It was the largest monthly we
have had for some time It was known
Stanly Pumphre wife whare to be here. He
gave general Satisfaction They Stand with
us two nights and we went to Leasors Creek
with them He held two public metings
Sarah Stanley and myself not being well
enough to attend we got pretty well
acquainted and pleasantly with me I trust
with her It is time for this to be sent to
the office tho thare is much I could say if I
could talk to thee I close in much love to thee
and Sister and Husband

PS we have three Grand Daughters with us

4th Day Afternoon

My dear Nephew

I feel obliged for thy writing but I cannot express my sorrow and since I received the intelligence I have been praying fervently that the Lord would in mercy spare dear Father's life a few years longer and favor him with Faith and Repentance which are all and is requisite in order to obtain salvation thro Christ Jesus, to who is not willing that any of us should perish! and my cry is Oh that he may be spared!-

It would a great shock to me

for I had been hoping
he could come to see me
this week but what poor
short sighted Creatures we
are and do sincerely sympa-
thize with both my dear
Nephews and desire you
and I with dear Father may
know the Lord to be our Effys
Who is Mighty to save!-
I have been suffering
with kidney trouble for some
two or 3 years and seldom
without pain in the day
time and often have it at night
and a little exertion affects my
breathing the Doctors says it pro-
ceeds from my heart.
I feel that my life here is very

uncertain but believe
that through the Mercy of
my God in Christ Jesus
I shall be accepted.
And now dear Henry hoping
to hear a better account
soon I conclude with
much love to dear Father
Thy self and dear Sindson and
your beloved Wife and
kisses to the dear Children.
Thy much attached
Aunt Hannah Arnett

My dear Nephew.

I have received thy letter and if thou had sent Grace to Susan as thou should have done I did not pray you to read it at all to me but did not think it necessary to read it but just to oblige me. Then as I thought thou would want to write to her I sent not supposing it would be thus detained. I expected it that what I felt right to write and do for her. I shall write to her again I believe I have said her but she is young and may earn money to support her

dear roasts. I suppose
after I am gone the mail
carrier and I have visited her
I did not say I gave the letter
to Mr Holley to you when here. I sent it by
mail to him.
Please tell Father not to forget
to send or bring those weights he
promised my kind friend
Anna Cooper the first opportunity. I am glad Mercy
better but Rosa cannot judge
by my appearance. I was sorry
you missed the goodly Preaching so
much I fear. I fear Broomy is to
much your own associate
riches. With love to all I remain
Ever your affectionate Mother

2nd day Morning

My dear Nephew

I did look for the yesterday but suppose the damp weather prevented but hope shall get some when suitable I am ready as Father saw Mr Cass out to Hunting yesterday and found it. any place to be engaged can stay first and after a while Mr Reading and Thomas Whitson spoke afterwards so with

the Divine Presence

favored with a good time.
I hope you are all well.
Perhaps you have heard
that Harriet Green has
died in North Carolina
How important it is to
have our days work
done in the day time!
I have had a letter from
Susan Pillar she has re-
turned to Dublin. I have
written a reply to it.
which I shall be obliged
to you to forward to her
I think her direction is

If Thos had come out
yesterday Thos might
have had her letter.
They seem to be a poor
family & poor management
Please tell Father that
I do not [illegible] any more

with love and good
wishes to all of you in;
